Mr. James Semler,

New York City.
% N. Y. Black Yankees.

Dear Semler:

I am sure you must know by this time that the Cubans cancelled us out for June 7th. The Grays and Elites have also cancelled their game out scheduled for Baltimore on the 14th. Due to this change in schedule we have had to hustle around and try and find some spots for these Sundays. We are playing in Phila the 7th and Indianapolis the 14th, which means we will leave Phila and work our way West, as a result we will not be around this way to play you in Paterson, N. J. the 13th. Do you want to take another team in there, if not, I will have to notify the man we do not want the Park. This should be done in the next day or two.

Please let me hear from you right away. If I do not hear from you, I will write him we do not want the Park.

There was some talk of a Meeting June 8th, do you think it will be arranged?

Very truly yours,
